RE: Friday's Theater Benefit

DATE: 26 September, 1988

I regret to inform you that ticket sales for Friday's Theater Benefit (The People With A.I.D.S. Theater Workshop) are badly lacking.

Since this benefit presentation is being paid for by SPECIAL AUDIENCES as a special favor to the Newark Community Project for People With AIDS, it is especially important that we all do our part and sell the tickets. Considering the group's great popularity and rave reviews as well as the personal testimony of John Dzwonar, Co-Director of SPECIAL AUDIENCES, it would seem that the tickets at \$10 apiece are a real bargain. And, it's for a good cause!

Please, if you have not yet ordered your tickets (both to use and to sell), please do so immediately by telephoning Mr. John Dzwonar at 465-3999, filling out the enclosed form and sending it with a check or money order payable to SPECIAL AUDIENCES at 75 Ferry Street, Newark, N.J. 07105.

Please take time out from your busy schedule and send your check immediately. We need your help now. (The Church holds 500-600 guests and we haven't sold more than 150 tickets as of this date.)

Please do your best.

Regards,  
*Derek*  
Derek T. Minans  
Acting Co-Chair

P.S. I am happy to report that Mr. Ed Szmikowski personally sold 37 tickets to date and that IYO is sending a busload of 50.

P.P.S. The radio program about the N.C.P.F.P.W.A. will be broadcast Monday evening, October 3rd, at 7 p.m., on WNJR (#1430 AM), hosted by Dr. John W. Alexander. I think you will find it most informative.

P.P.P.S. I regret to inform you that Ray Ward passed this morning.
